STC, Inc. is HIRING!

2023-24 school- based opportunities for SLPs, CFs, and SLPAs in the greater Sacramento area!

If you're saying to yourself, "I'm constantly contacted by companies looking to hire! Why should I call you?" Here's why:

- We don't keep compensation a secret; we pay our employees well because we appreciate what you do!
 - 185 days school year (option to spread out pay through summer)
 - SLPs and CFs: \$74,000 to \$104,000 for full-time work, DOE
 - SLPAs: \$52,000 to \$67,000 for full-time work, DOE
- Direct, local support to keep your caseload *and* workload in check; we'll work both *with* you and *for* you
- We're owned by an SLP with over 18 years experience who understands what the day-to-day job entails
- Are you a CF? We're not going to leave you to figure things out on your own! Let us guide you with our years of experience in the field to simplify the job by organizing and structuring an efficient routine
- Custom-designed employment packages tailored to your individual wants/needs/preferences (scheduling, placement, salary, benefits, etc); what you're wanting will likely change throughout your career - we'll change *with* you
- Carefully selected placements, again, taking your wants/needs/preferences into account; we're not looking to put a band-aid on things just to fill a position
- Performance incentives
- Opportunities to advance into management roles and appropriate compensation for doing so
- Superior and customizable benefits packages (medical/dental/vision insurance options for employees and families, life and disability insurance, retirement plan with employer match, continuing education assistance, etc.)
- Opportunities for extra work (and extra \$!) during school vacations, summer, etc.
